Lulu.com, United States, 2014. Pamphlet. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Bke Race is Book 1 in a series created so that young authors can practice using a set of related illustrations to write their own story. Filled with colorful pictures, the book encourages young writers to make up a tale of fun and adventure. The story begins when the cyclers line up to begin the race. There are bumps to leap over, curves and rocks to navigate. One cycler falls. What will happen? Will someone stop to help? Young authors use their imaginations to create this tale. There are questions, after the story ends, which help the writer focus on elements of creating a story, encouraging further exploration. Come join other children around the world as they use our books to reinforce Language Arts skills. We also create phonics books, alphabet focused books, and general story books, all of which emphasize caring and sharing and positive aspects of living.
