JOY'S VERSES

Paperback. Book Condition: New. Not Signed; Description: These verses are an insight into Joyce's wonderful character, her love of animals and her fellow human beings and her perceptions of the unknown. In eight prolific months of 1993 two-thirds of the verses were written in what one can assume was a peaceful, busy and contented period of a long and, for considerable periods, a hard life. Joyce was left to bring up her young daughter on her own; getting her through grammar school testifies to her bravery, determination and grit. Then Joyce found happiness and married, but then lost her husband only sixteen years later, and was on her own again for a similar period before she remarried. This collection of verses was written in response to significant events - a birthday, a family gathering, an incident during rambles or in everyday life, to record a family milestone - or simply, as in many cases, just putting her thoughts and dreams into words. As a keen Rambler one of her great pleasures was to take long walks in the countryside both locally and when on holiday enjoying the scenery while the mind can roam freely perhaps pondering on abstract ideas. book.
