Frankenstein Plays for Performance Series

By Mary Shelley

Ivan R. Dee. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.3in. x 5.4in. x 0.3in. Dorothy Louise's remarkable new adaptation of Mary Shelley's classic story rescues it from simplistic notions of horror and fear. She remains faithful to Shelley's intention to show how the Creature of Victor Frankenstein gradually grows into malignity because of the continual rejection he experiences and the refusal of his creator to respond to his very human needs. Amateur and professional companies will find this to be the most successful Frankenstein ever adapted for the stage. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
