Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

Excerpt: . necessities of life) that must be imported for the consumption of the remaining eight months to be paid for, particularly while the Government looks to this supply as a piincipal source of its revenue? Your Petitioners apprehend that the only answer which can be given to the question is, By its trade; and if that fails it, the alternative must be, that the mother country will be itself under the necessity of supporting the colony, or of seeing its population rapidly diminish undef the effects of a policy that will leave au indelible stain upon her honour and humanity. That the remonstrances of the mercantile body have not been without foundation as to the practice of Government in the imposition of duties, your Petitioners will satisfy themselves, and, they hope, your Honourable House, by a reference to the duty upon barley formerly alluded to. When the Government found during the last year, in consequence of the high monopoly price of wheat, its issue rapidly falling off, and that the lower classes had recourse to barley and Indian corn as substitutes, without giving the slightest warning of its intention, or the most distant reason to suppose that any such measure was in contemplation, it suddenly imposed a duty of about 30 per cent, ad valorem (which has since been augmented to about 80 per cent.) upon these grains; and levied it upon cargoes which had been purchased, and had actually arrived in port, upon...
