

The Family Guide to Aging Parents: Answers to Your Legal, Financial, and Healthcare Questions (Paperback)

By Carolyn Rosenblatt

Familius, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. There are more than 43 million adults caring for their aging parents and family members in the United States alone. While some are about to enjoy retirement and the freedoms that come with a life well lived, the responsibility of caring for their aging parents is a key issue they unexpectedly face. Imagine: Being able to competently choose a home care worker, assisted living, or nursing home, knowing the pros and cons. Being able to find just the right words to approach your aging parents with the conversations you need about finances. Knowing how to talk to your aging loved ones about giving up driving when the time comes. Being able to plan ahead for an aging parent who is running out of money and taking advantage of all benefits available to them. Understanding how to get past your aging parents' resistance about getting help, using a successful approach. Knowing how to best protect your aging loved ones from financial predators. The Family Guide to Aging Parents is the complete guide to help the caregiver understand the issues and be prepared for the realities. Covering everything from...

Reviews

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting to read this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- **Nannie Lindgren Jr.**

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.
