Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Mosby, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: So much more than just a dictionary, the completely revised, bestselling, trusted Mosby's Dictionary is the ONE reference you need to help you make sense of the complex world of health care. It features superior-quality definitions plus 2,400 full-color illustrations - nearly three times more than any other dictionary available! But that's only the beginning. Mosby's Dictionary also includes encyclopedic entries to explain more difficult concepts in depth, a 43-page Color Atlas of Human Anatomy. It's the trusted reference you'll turn to again and again! Over 51,000 comprehensive, authoritative, high-quality definitions - including definitions for major diseases, disorders, drugs, and procedures - offer the most accurate, complete information available in all areas of nursing, medicine, and health-related professions. Approximately 2,400 color photographs and line drawings - nearly three times more than any other health care dictionary - illustrate all subject areas to help you understand concepts. The practical, straightforward alphabetical organization with no subentries and easy-to-use features such as thumb tabs, entry words in color, and large, easy-to-read print make it easy to find and understand information. Expanded definitions for selected entries, particularly major diseases, disorders, and procedures, offer detailed information in one spot to help you understand more difficult concepts. Hundreds of lab test and surgical procedure definitions explain the purpose, procedures, patient care, and expected outcomes. Comprehensive definitions for drugs - with over 200 new to this edition - include indications, contraindications, and adverse effects for safe medication practice. Definitions for more than 50 complementary and alternative medical therapies and over 100 herbs familiarize you with options today's patients may choose. Pronunciations and word roots for key entries help you use terminology correctly in everyday practice. Includes British spellings for selected entries to...
