Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Book is best described as Pearls of wisdom, in the necklace of life, for the beauty of the soul. To seek is the nature of the living force. The search of the soul seems never-ending. But the real need is not just to seek, but to seek the right thing from the right source. Wisdom is the quality of having experience, knowledge and good judgment about the truths of life. Essentially, knowledge that not just informs but also actually transforms is called wisdom. For example, a diamond is nothing but an ordinary piece of coal, which, with the help of nature's wisdom, has transformed into the most precious jewel. Similarly, the soul with the help of the right knowledge from the right source has the potential of being transformed into The Real You. When the sun shines on a snow-capped mountain, the layers of snow melt down helplessly. Similarly, when the sun-like wisdom shines on a covered entity, layers of ignorance start melting away, thus uncovering a The Real You. Real learning has to be holistic and not just in one dimension. When learning happens using multiple faculties, the depth of its influence is always greater. Historically, knowledge has always been combined with art. Our experience and the experience of the world is that each form of learning can influence us equally powerfully. So in this book you will find a combination of the wisdom of the heart with the wisdom of the art. This combined wisdom can make us ponder, wonder and help us overcome the blunder of ignorance which leads to suffering and sorrow. Printed Pages: 164.
