Little, Brown. 1 Cloth(s), 2012. hard. Book Condition: New. Before there was a Mysterious Benedict Society, there was simply a boy named Nicholas Benedict. Meet the one who started it all, in this prequel to Trenton Lee Stewart's delightfully clever series for readers 9 to 12. Not only is Nicholas an orphan with an unfortunate nose, he also has narcolepsy, which makes him fall asleep at the worst possible moments and have terrible nightmares to boot. Sent to live at Child's End, he encounters nasty bullies, mean adults, strange circumstances, and a mystery that, if solved in time, could change his life forever. Luckily, Nicholas is also a genius, and he finds friends in unexpected places. Diana Sudyka provides black and white drawings for each chapter."Gives readers a reason to fall in love with the series all over again.[with] adventures, danger, cleverness, dry wit, and good-hearted characters at the center of the action."Booklist (starred review)"Stewart balances the elements of his story beautifully, using the mystery puzzle to drive the plot while heightening tension through encounters with the Spiders and deepening the tenderness by following Nicholas's emotional development . [as] Mysterious Benedict Society fans have come to expect (and love) from master storyteller Stewart."Horn Book 470.
