By Malcolm Steer

Christian Focus. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 7.0in. x 4.5in. x 0.2in. Speaking to Muslims about Christianity can be an unsettling experience for the Christian. Our understanding of the Muslim faith is very limited, and their critique of the Christian faith is often unlike any we have come across. Despite the difficulties we are still called to be ready to witness. Islam is the worlds fastest growing religion so Christians are going to have to learn how to reach Muslims, and how to answer their criticisms. Malcolm draws on his experience of witnessing to Muslims, and shows how to witness effectively. Effective witnessing depends on: 1. Getting to Grips with Islam - having some knowledge of their beliefs and practices, including the nature of Islam and some of the crucial differences. 2. Getting the Message across - knowing some of the misunderstandings Muslims have about Christianity, and the arguments they use against the Gospel and knowing how to positively present the good news of Christ. 3. Getting the Approach right - that is knowing how best to approach a Muslim and knowing what to do and say. This item ships from multiple locations. Your book may arrive from...
