

Every Boy's Book of Hobbies (Paperback)

By H. Cecil Bullivant

Read Books, United Kingdom, 2006. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Originally published in the early 1900s, this book evokes memories of the halcyon time of boyhood in an era where a boy's hobby played a large part in the development of his character. A man or a boy without a hobby is like a vessel without a keel - he lacks just that which will keep his mind well balanced. This is no more relevant than today in an electronic age. Contents Include: THE WORKSHOP AT HOME: Carpentry and Joinery The Boy's Own Den How to Make a School Box with Secret Compartments How to Make a Puzzle Box How to Make a Willy Wizard's Table A Novel Photo-Frame A Home-Made Boomerang How to Make a Flagstaff An Automatic Fountain How to Make a Model Opera-House Model Air Craft Model Boats How to Make a Submarine Boat A Wooden Steam-Engine How to Make and Work a Scenic Railway A Miniature Mill The Bicycle Blondin A Handy Motor Car The Wonders of a Jack-Knife INDOOR HOBBIES: Black and White Drawing Bent-Iron Work Fretwork Wood-Carving Bamboo Carpentry...

Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You won't sense monotony at any moment of your time (that's what catalogs are for about if you check with me).

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).
