Oxford University Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., The Essential Davidson, Donald Davidson, The Essential Davidson compiles the most celebrated papers of one of the twentieth century's greatest philosophers. The second part of the book presents the famous essays in which Davidson set out his highly original and influential philosophy of language, which founds the theory of meaning on the theory of truth. These fifteen classic essays will be invaluable for anyone interested in the study of mind and language. Fascinating though they are individually, it is only when drawn together that there emerges a compelling picture of man as a rational linguistic animal whose thoughts, though not reducible to the material, are part of the fabric of the world, and whose knowledge of his own mind, the minds of others, and the world around him is as fundamental to his nature as the power of thought and...
