McGraw-Hill. Hardcover. Book Condition: New. Hardcover. 259 pages. Dimensions: 9.0in. x 5.8in. x 0.8in. Equity options, the all-purpose vehicles that today's smartest investors use to increase profits, reduce risks, or both. Equity options, considered overly complex and aggressive by most investors, are actually among today's most straightforward and easy-to-use investment vehicles. Providing both protection against loss and potential for exceptional profits, they are ideal for virtually any trader or investor. The Options Strategist outlines effective and easy-to-follow strategies for incorporating the power of equity options into your trading program. Starting with the basics of options and options trading, it goes on to reveal specific strategies that you can use to: maximize your trading profits in up, down, or sideways markets; protect your portfolio against sudden market declines; take advantage of price swings, regardless of their direction; hedge your corporate stock and/or options against unforeseen events; and, employ advanced options techniques to take your trading success to the next level. It's time that you discovered the many benefits of equity options. Let The Options Strategist show you just how easy and profitable options investing can be and provide you with the knowledge and tools you need to give your portfolio the options advantage. Investors of all types, with portfolios of every size, are beginning to realize the protection and profit in equity options. Long seen as a volatile investment designed strictly for gamblers and high rollers, options in fact offer unique advantages to even the most conservative investor and are suitable for rounding out virtually any investment portfolio. The Options Strategist tells you everything you need to know to trade and invest with equity options. Whether you use options to aggressively increase trading profits through the power of leverage or conservatively protect the stocks in your portfolio against sudden market reversals, this...
