Always for Judy: Witness to the Joy and Genius of Judy Garland

By Joan Beck Coulson

Yarnscombe Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Biography & Memoir of Judy Garland. An extensive background in anthropology and social sciences gives Joan Coulson a view of Judy Garland through a personal lens. She analyses Judy's childhood using Michael Apted's documentary, 7UP, based on the Jesuit saying, "Give me the child until he is seven and I will show you the man." Coulson witnessed firsthand many of Judy's legendary concerts and television performances-meeting Judy several times in person, attending recording sessions, visiting TV and film sets, watching Judy work live with conductors and orchestras through the years. Her recollections of her time with Judy bring the Judy we love alive-charismatic, charming, kind, and witty.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
