Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Brand New Book ***** Print on Demand *****.The Bo Bo says Hello book series are truly enchanting books for young children, combining education with fun, sharing and kindness. The main character is Bo Bo, who is a blue and yellow teddy bear. He has three main friends, they all live in brightly coloured beach huts on the beach. Bo Bo lives in number 1, which is red. Next door lives Bella Bunny, a little blue bunny, who is very neat and tidy and is always wearing her little frilly apron. Her beach hut is blue and is number 2. Then there is Basil Bear, a green teddy bear, who lives in a green beach hut, number 3. He loves growing vegetables and flowers. Then there is Molly the Dolly, a cute ragdoll. She lives in number 4 which is pink, she likes home cooking. The ideas for the books are from childhood memories, cuddly toys my sisters and I had when we were young and the fun we had playing with them and taking them on holiday with us. Bo Bo was a teddy bear my younger sister had when she was two for Christmas - he was bigger than her. The first thing she said when she opened him Christmas morning was Bo Bo! She still has him to this day, he is now 46 years old! And is loved and cherished by her own children. The books contain traditional values, for example, growing fresh healthy food, home cooking, keeping clean and exercising, but also having fun and discovering new things. The books were a joy to write and will inspire any young child who is introduced to them.
