Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. Being there were so many different tribes with countless beliefs and customs, the only way to understand their ways is through understanding their stories. In this book I have endeavored to show a wide landscape of different tribes and hopefully present a true look at their beliefs. With this book I hope you understand the Native American people a little better and understand where they have come from and what they can offer the world. By exploring these stories, I offer you a glimpse into an often forgotten past.
