Brand New Book ***** Print on Demand *****.Get Inside the Mind of a Narcissist and Learn How They Tick! Narcissism: Dive Inside the Mind of a Narcissist and Learn How They Tick is a complete informative guide for understanding the mind of a narcissist and how a narcissist works. Narcissism has recently become a topic of debate between journalists, politicians, and students because of the frequent and excessive use of social networks. Not only does Narcissism take a look at the influence of narcissism in the media, but treatments of narcissism, how to identify a narcissist, coping with a narcissist, identifying sociopaths and psychopaths, and tell-tale signs of psychopathic and sociopathic behaviors in children. Although narcissism is a term that we hear nearly every day, not everyone really understands what it truly means to be a narcissist. Like anyone with a personality disorder, there are deep psychological problems that manifest themselves into a narcissist that leads them to taking on selfish and arrogant character traits. And though there may not be many studies about narcissism, there is still so much to learn about the subject and the people it affects. Narcissistic Personality Disorder is actually a fairly new disorder, only becoming an official diagnosis in the 1980 s. Therefore a lot of information on the subject is new, but uncertain. There is still much to be discovered about narcissism, and Narcissism: Dive Inside the Mind of a Narcissist and Learn How They Tick will surely give you all the information you need and want to know about narcissism, sociopaths, and psychopaths. Hopefully this book will help you understand the world around you from a new perspective, as well as peek your interest at a new...
