Meddlin lived in a ramshackle house, ploughed a poor farm, made a cross-mark for his signature, led prayers in the congregation, and only twice in his life went out of the county where he was born. He was a man with a strong body and with good sense; but his thought travelled in narrow ways, and dyspepsia wore him out before he grew old. Young Jeff, is very like his father, with this difference, that he indulges in drink instead of prayer; and Jeff. 3d, a lad of good parts, has started life on the level where old Jeff. died. The family for three generations has not got out of its shirt-sleeves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. *This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting to read this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
