Making Better Buildings: A Comparative Guide to Sustainable Construction for Homeowners and Contractors

By Jen Feigin, Chris Magwood

New Society Publishers. Paperback. Book Condition: new. BRAND NEW, Making Better Buildings: A Comparative Guide to Sustainable Construction for Homeowners and Contractors, Jen Feigin, Chris Magwood, From foundation to finish, a wealth of information is available on sustainable construction methods--entire volumes have been published on individual green and natural building techniques. But with so many different ideas to choose from, there is no single resource that allows an owner or builder to quickly and objectively compare the merits of each system for their particular project. Making Better Buildings cuts through the hype and provides the unvarnished facts about the upsides and downsides of the most widely discussed materials and technologies. Drawing on the real-world experiences of designer/builders, this comparative guide systematically and comprehensively examines each approach in terms of: * Cost, sourcing, availability, labor intensity, and ease of construction * Energy efficiency, embodied energy, and environmental impacts * Availability/accessibility Each chapter is rounded out by a chart which summarizes the material in a quick and accessible manner. Whether you are an owner preparing to build a green or natural home or a conventional contractor determined to integrate sustainable alternatives into your existing construction practices, this up-to-the minute resource will help you make the...

Reviews

This book might be really worth a read, and superior to other. This really is for all who statte there had not been a really worth studying. I am just happy to tell you that this is basically the very best pdf i actually have read through during my very own lifestyle and may be he best ebook for actually.
