Brand New Book ***** Print on Demand *****.53 Minutes From Now, You'll Know Exactly How To Stop Your Child From Wetting The Bed. Without Drama Or Discipline! Bedwetting is one of the hardest problems families face and can be very tough on a child's self esteem. When one of your children is a bed wetter, it can be a very sensitive topic. Even though it's a normal part of growing up, siblings can still give them a hard time. Most kids don't like going to bed. But most don't fear it. A bedwetter does. This book will teach you how to gently help your child take control of the situation. With tips, tricks, and methods for waking up dry - this is the secret tool your family can use to cure bedwetting. Here is just some of the information you will find inside: How your behavior can affect your child's bedwetting. Are you making it worse? What to tell your child to make him or her feel better about the situation. How to make bed time less stressful for your child. Does your child really have a problem? Or is it normal. How to make it easier for your child to let you know there was an accident. Why making your child go to bed earlier can actually help him or her stop wetting the bed. The worst thing you can do to try and stop bedwetting. How to implement night lifting to keep your child dry. 3 bladder control exercises for your child. Which liquids to keep your child away from in the evening. 3 types of medications that just might be the ticket. What are moisture detector alarms...
