Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x8 mm. Neuware - High Quality Content by WIKIPEDIA articles! In Rainbows is the seventh studio album by English alternative rock band Radiohead. It was first released on 10 October 2007 as a digital download, followed by a standard CD release in most countries during the last week of 2007. The album was released in North America on 1 January 2008. In Rainbows was Radiohead's first release after the end of their contract with EMI and the end of the longest gap between studio albums in their career. In Rainbows was recorded in London, Somerset, Wiltshire, and Oxfordshire with producers Mark Stent and Nigel Godrich. Radiohead worked on In Rainbows for more than two years, beginning in early 2005. In between recording, the band toured Europe and North America for three months in mid-2006. The songwriting on In Rainbows was more personal than that on Radiohead's other albums, with singer Thom Yorke describing most tracks as his versions of 'seduction songs'. 132 pp. Englisch.
