New Fully Illustrated Study Edition. Ancient Pagan and Modern Christian Symbolism by Thomas Inman The demand which has sprung up for this work has induced the Author to make it more complete than it was originally. But it could not be made perfect without being expanded into a volume whose size would be incompatible with cheapness. When every Figure would supply a text for a long discourse, a close attention is required lest a description should be developed into a dissertation. In this work, the Author is obliged to confine himself to the explanation of symbols, and cannot launch out into ancient and modern faiths, except in so far as they are typified by the use of certain conventional signs. A great many who peruse a book like this for the first time, and find how strange were the ideas which for some thousands of years permeated the religious opinions of the civilised world, might naturally consider that the Author is a mere visionary one who is possessed of a hobby that he rides to death. Such a notion...
