Comprising articles on an impressive array of sporting themes and extensively illustrated with full page and text photographs. These magazines not only offer a fascinating insight on a bygone age but also much information and anecdote that is still useful today. Within each issue are contained veritable gems of articles that cater for every sporting taste. Its diverse features make it an absorbing read for any sportsman or historian. This issue contains, amongst many others, chapters on: Advice On Fox-Hunting, Boar Hunting In Brittany, Rules Of Golf And Two Famous Trout Streams. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive.
