Brand New Book ***** Print on Demand *****.Excerpt from Motley: Verses Grave and Gay When at the first I took my pen in hand Thus for to write, I did not understand That I at all should make a little book In such a mode, Says quaint John Bunyan in the rhyming Preface to his immortal Pilgrim; and I may truthfully adopt his lines, although the present work may not quite achieve immortality. With a few exceptions the verses herein printed have appeared in the pages of Grip and other journals of a more sedate description, but they were not written with a view to subsequent collection, excepting in my private scrap-book. I have taken the somewhat venturesome step of putting these selections in a more public book by the advice of friends in whose judgment I have confidence. My hope is that the Gentle Reader may be able conscientiously to endorse that judgment also. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
