By William Alan Thomas

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Return of the Convict takes place in 2143, in the aftermath of wars, plagues and environmental collapse. A technocrat government has taken charge. The administrators work closely with an artificial intelligence whose mandate is to bring Earth's biosphere back to health. Dom Tessier is a cadet at Vancouver's Space Training Academy. Brain implants have enhanced his memory and sped up the learning process. Now he's given a telecap, which lets him receive and transmit thought messages. In another year he'll be fully transformed. The cadets are required to take at least one arts elective, and Dom likes music. After history class, he goes over to the Polaris building and finds an empty practice room. Sitting before the multivox, he starts to play The Cosmic Song when Astra Allison, a girl he knows from elementary school, comes in with friends. They tell him to keep playing, and begin to dance. The session seems to reestablish the trust and understanding they knew as children, and Dom looks forward to seeing her again in...
