REFERENCE SERVICE AND SOURCES

Atlantic Publishers & Distributors (P) Ltd, 2006. Softcover. Book Condition: New. The rapid developments in computer technology, telecommunications, printing reprography, etc. have important implications for the provision of information by libraries to their users. Great advances have been made in the automation of indexing and abstracting services. Despite such advances and technological impacts, the actual search process and the end result remain the same as in the traditional approach. Hence, the significance of reference sources and services cannot be overemphasised....
