Plenum. Hardcover. Book Condition: New. Hardcover. 726 pages. Dimensions: 9.2in. x 6.1in. x 1.6in. This and its companion Volumes 2 and 3 document the proceedings of the 4th International Symposium on Surfactants in Solution held in Lund, Sweden, June 27-July 2, 1982. This biennial event was christened as the 4th Symposium as this was a continuation of earlier conferences dealing with surfactants held in 1976 (Albany) under the title Micellization, Solubilization, and Microemulsions; in 1978 (Knoxville) under the title Solution Chemistry of Surfactants; and in 1980 (Potsdam) where it was dubbed as Solution Behavior of Surfactants: Theoretical and Applied Aspects. The proceedings of all these symposia have been properly chronicled. The Lund Symposium was billed as Surfactants in Solution as both the aggregation and adsorption aspects of surfactants were covered, and furthermore we were interested in a general title which could be used for future conferences in this series. As these biennial events have become a well recognized forum for bringing together researchers with varied interests in the arena of surfactants, so it is amply vindicated to continue these, and the next meeting is planned for July 9-13, 1984 in Bordeaux, France under the cochairmanship of K. L. Mittal and P. Bothorel. The venue for 1986 is still open, although India, inter alia, is a good possibility. Apropos, we would be delighted to entertain suggestions regarding where and when these biennial symposia should be held in the future and you may direct your response to Kk. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
