Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Worried about networking, confused about how to use social media, not sure if it's all worth it anyway? Looking for someone to explain it all in simple terms and help you decide how to use it all to benefit your business? Running a business and not yet engaged with social media? Wondering if there's any point starting a business blog? Not sure whether having a website is the right thing to do? This quick guide takes the worry out of networking and social media by explaining how to do it and the benefits in simple terms which will benefit you and your business, creating social capital and explaining what that is. Well-known New York Times bestselling author-entrepreneur Joanna Penn of has this to say about the book: This book will help you to understand the more detailed nuance of social media . as well as how to be generous on the networks and work for mutual benefit with your connections. There's also a section on the psychology of networking for introverts, which is helpful as many people feel their personality holds them back online. I particularly like the summing up section, where Liz advises Be kind. If everyone online followed this advice, the world would be a fantastic place! A useful little book for the newbie social networker. -----

----- You should buy this book if you want to find out more about using social media and physical networks to grow your influence and business. If you're looking for a more general book on growing your business, you would do better to have a look at my other business books: find out more at...
