aPress, United States, 2012. Paperback. Book Condition: New. 2nd New edition. 234 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.In response to the success of the first edition of Foundation Game Design with Flash, Rex van der Spuy has revised and updated all the code to meet current programming best practices, and the focus is now on accurate ActionScript 3.0, regardless of the IDE that you use. We ve all sneaked the odd five minutes here or there playing the latest Flash game that someone sent around the office, but creating those games is trickier than it looks. The aim of Foundation Game Design with ActionScript 3.0 is to take you, even if you ve minimal multimedia or programming experience, through a series of step-by-step examples and detailed case studies--to the point where you ll have the skills to independently design any conceivable 2D game using Flash and ActionScript. Foundation Game Design with ActionScript 3.0 is a non-technical one-stop shop for all the most important skills and techniques a beginning game designer needs to build games with Flash from scratch. Whether you re creating quick blasts of viral amusement, or more in-depth action or adventure titles, this is the book for you. * Focused and friendly introduction to designing games with Flash and ActionScript * Detailed case studies of Flash games * Essential techniques for building games, with each chapter gently building on the skills of preceding chapters * Modern best practices and new content on ActionScript 3.0 * Also covers asset creation in Photoshop and Illustrator What you ll learn * How to build interactive movies and objects with Flash * A thorough grounding in ActionScript 3.0 and good programming practices, with minimal prior programming experience required * How to build interactive storybooks,...
